

Introducing the new Multi Purpose 270X – by TPI the Gas Technician's 6 in 1 clamp-on-meter

- / No other tool comes close to the 270X for features and accessories.
- / The 270X quickly pays for itself and you will wonder how you managed without one.
- / Rugged, reliable, accurate and affordable

The 270X by TPI, is a handheld, autoranging, clamp-on digital multimeter with an exceptional range of features and add on accessories. Up to 6 tools in 1 with a 3 year limited warranty and very competitively priced.

The 270X with its slim jaws and body is ideal for cramped work areas and crowded electrical panels. It also measures flame safety control current.

Test Products International (TPI) are one of the world's leading designers and manufacturers of digital handheld test equipment.

SIX TOOLS IN ONE

- > Digital Multimeter
- > Clamp-On Meter
- > Volt Stick Functionality
- > Temperature Tester
- > Add on Pressure Transducer (optional)
- > Add on CO Tester (optional)

STANDARD ACCESSORIES

- > Silicon Test Leads
- > Carry Pouch
- > K-Type Thermocouple lead

FEATURES

- > Audible Continuity
- > Extra Large LED display and Low Battery Indicator
- > Over Range Indicator (OL)
- > High Voltage Indicator (>30V AC/DC)
- > Auto Power Off after 30 minutes
- > Low Ohm range (400V)
- > Amps AC resolution (0.01A)
- > VAC/VDC resolution (0.1mV)
- > DC Micro Amps (0.01µA resolution)
- > Temperature measurement (0.1° C resolution)
- > Differential Temperature testing
- > Frequency and Min/Max/Record function
- > Data Hold and Peak Hold function
- > Measure motor in rush and run current
- > Auto and Manual ranging
- > Up to 40,000 Microfarads to test run and start capacitors
